Dear Brent:

It was such a pleasure to work with you -- from your vision of the LionForce story to the final execution. Your commitment to excellence and attention to detail is admirable in this world of "good enough". You are the consummate professional!

I know presentationjunkie.com will be a huge success because of this, and we are all definitely part of the fan club.

Thanks again for all your time and attention to our project (and handholding with kid gloves, when necessary)! I am personally grateful to have had your experience and expertise to draw on during our voyage onto these uncharted waters!

Sincerely,

Betty Orth

We're missing your smiling face!
